Administrative Update
November 2, 2020

1. Rate Forecast: In your packet was the projected power rates for 2021-2025. The Capacity Plan PDF shows in detail all the charges that go into your 2021 projected rate forecast (the annual projected number is in the bottom right corner). The Monthly Summary PDF is a table detailing your community's projected energy, rate, and total dollars by month for 2021.
2. Paving Bid: We will be having a bid opening on November 4th, 2020 for the street paving project. We will be hoping to announce the lowest and best bid by the end of the week.
3. WWTP: Jones & Henry is offering a post -construction engineering services which would include oversight closing of any financial related transactions for the project along with close out documents of the project and funding agencies. They would also assist with any warranty claims for any defects in the completed construction. They are offering this additional service for \$37,600.
4. Vote: Just to remind everyone to go and vote tomorrow if you haven't already!
